

# PROMYS Europe

A partnership of PROMYS, Wadham College and the Mathematical Institute  
at the University of Oxford, and the Clay Mathematics Institute

9 July – 19 August 2023 at Wadham College, Oxford

[www.promys-europe.org](http://www.promys-europe.org)

**Six weeks of challenging and stimulating mathematical exploration,  
for mathematically ambitious school students aged 16+  
from across Europe**

*"It's an experience that will stick with you a lifetime. It's hard work, but every bit of it is worth it" ♦ "It's wonderful to have people around with whom I can really properly discuss mathematics and develop ideas" ♦ "I love the collaborative atmosphere of PROMYS and the depth in which we study Number Theory" ♦ "I think it is an amazing programme and it has changed me completely"*

– Students, PROMYS Europe 2022

*"The programme offers pre-university students from across Europe an extraordinary opportunity to engage with deep mathematical ideas" – CMI President*

Selection is needs-blind and based on merit alone. Partial or full financial aid is available for those who need it.

*The programme is dedicated to the principle that no one should be unable to attend for financial reasons.*
